Tuesday, December 12th—6:30

at the Forest Lodge Library

## CITIZEN AWARENESS

Sgt. Andy Runice of the Bayfield County Sheriff's Office will share information about drug trends in our community, scams targeting the elderly and other things you might want to know about, including when you should contact the Sheriff's Office. Sgt. Andy is also very interested in knowing what YOU would like to hear about! If you have specific issues you'd like him to address, please notify the library at [klendved@cable.wislib.org](mailto:klendved@cable.wislib.org) or 715-798-3189. He will also take questions after the Community Conversation.

The Forest Lodge Library is located at
